

FACULTY MEETING

October 2, 2009

MOTION:

The Curriculum Committee moves to eliminate the Government-Sociology interdepartmental major.

Rationale: The Government-Sociology major as currently defined is roughly equivalent to a minor in Sociology and a minor in Government. Student interest in the major is lacking. The major lacks integration across the departments. Students are better served by choosing either Government or Sociology as a major and selecting the other field as a minor or majoring in both departments.
